

The privacy policy below applies to all site visits, transactions and agreements with Rietlanden Terminals B.V., Westpoortweg 502 1047HB Amsterdam (34238398).

We respect the privacy of the visitors to our website and ensure that the personal information you provide is treated confidentially. How exactly we do this, and what personal data we collect from you for which purposes, you can read below.

The use of personal data

When using our website www.rietlanden.com we obtain certain information from you. That may be personal data. We only keep and use the personal data provided by you directly, in the context of the service you request (for example via the contact form or for creating an account), or of which it is clear that they are provided to us to process. We will not use your personal data for other purposes, unless you have given permission in advance for this or we may or must do so on the basis of the law or the agreement.

Purposes of use

In order to provide you with the best possible service, Rietlanden Terminals B.V. saves your personal data in certain cases. Rietlanden Terminals B.V. uses your personal details that arrive on the website of www.rietlanden.com for:

Job application

If you use our application forms online, you should write your name, address, telephone number and e-mail address there. In addition, you enter (in freely entered fields) an explanation and send us your CV, with all the associated data. When sending this application, you give us permission to process your data with the purpose of fulfilling the outstanding vacancy.

In the case of an application procedure for a specific vacancy, we use a retention period of 48 hours on our website environment. In addition, we store the personal data involved in the application internally for the duration of the entire application process. No later than 4 weeks after the vacancy has been filled, we will remove your application, unless you give us permission to keep it for a longer period of time. For example, in the event that a suitable function is released at a later moment. In that case we will save your application for 1 year.

If you use the option to enter an open application, we also use a maximum storage period of 1 year. If you wish to withdraw the open application in the meantime, please contact us. We will facilitate you in this.
